## NOURISHING NIGHT CREAM KEY INGREDIENTS:

*Prodizia (Albizia Julibrissin Bark Extract):*  
Derived from the Persian silk tree, this bark extract assists the overnight process that helps support the skin to look more rested and refreshed and visibly reduce the signs of fatigue.

*Buddleja Stem Cells:*  
Extracted from the butterfly bush, these smart plant stem cells assist in activating your skin's own rejuvenating/renewal process to help protect, soothe and calm the skin.

*Gatuline® In-Tense:*  
Extracted from the flowers of the Spilanthes Acmella plant, this ingredient helps skin to feel more firm and tight.

*Redde Complex:*  
This natural multifunctional ingredient contains antimicrobial properties, and it helps retain moisture and rejuvenate skin.
